

THANK YOU FOR YOUR SUPPORT

The Lindsay Rachel Giacomelli Memorial Fund in 2010 will be donating to Alberta Ballet.

Alberta Ballet (www.albertaballet.com), a not-for-profit organization, is Canada's third-largest ballet company. Since its formation in 1966, with its cutting-edge repertoire and talent lead by Artistic Director Jean Grand-Maître and Executive Director Darryl Lindenbach, Alberta Ballet has remained at the forefront of the national and international arts scene. One of the only arts organizations in Canada to call two cities (Calgary & Edmonton) home, Alberta Ballet is proud to be a community leader both on and off the stage.

The School of Alberta Ballet is the official training centre of Alberta Ballet. Established in 1991, the School has become one of Canada's leading dance training institutions. The School is located in the heart of Calgary, in a state-of-the-art facility blocks from the home studios of Alberta Ballet.

The School of Alberta Ballet is the only ballet school west of Winnipeg affiliated with a professional ballet company. Leading a team of internationally acclaimed and highly qualified teachers; Murray and Nancy Kilgour are two of Canada's most respected dance educators. They bring decades of wisdom and international experience to their inspiring leadership of the School of Alberta Ballet and their standard of training excellence has attracted top-level teachers and talented students from around the world.

In 2010, the Lindsay Rachel Giacomelli Memorial Fund, in recognition of Lindsay's involvement in dance through the University of Calgary and with the School of Alberta Ballet, will designate its primary donation to Alberta Ballet to the "Artist Fund at Alberta Ballet".

The Alberta Ballet Artist Fund provides critical support to Alberta Ballet's 30 exceptional dancers who are comprised of homegrown and international talent from as far away as Asia, Australia and Europe. When donors adopt a dancer of their choice or give to the entire company, these donations to the Artist Fund go directly towards helping Alberta Ballet's dancers achieve their full potential as artists. Contributions to the Artist Fund help Alberta Ballet to provide additional health and wellness benefits to its company of dancers, extend its performance season and allow its dancers to do what they love most – showcase dance.

Remembering Lindsay

The Lindsay Rachel Giacomelli Memorial Fund was established in Lindsay's name as a memorial to her short life (June 18, 1984 to March 18, 2005). The goal of the fund is to keep Lindsay's name and presence alive and to reflect her generous and caring spirit. The establishment of this memorial fund at The Calgary Foundation provides our family extreme comfort in the knowledge that the fund will provide charitable donations to Calgary area causes forever, all in Lindsay's name.

All proceeds from this non-profit event donated to the Lindsay Rachel Giacomelli Memorial Fund. Over \$190,000 donated to date to the fund with approximately \$26,000.00 donated to charities to date.

We would like to thank everyone for participating this year.

RULES - TEXAS SCRAMBLE

1. Each player hits their drive and the captain selects the best eligible drive and all players hit their second shot from that spot. Same with the second shots until on the green. All players putt from the selected shot that is on the green and continue from the best putt until the ball is in the hole. Putts within the leather of the Captains putter are considered gimmees.
2. Each person on the foursome must use 4 drives. Threesomes use 5 drives.
3. No consecutive shots until on the putting surface (fringe doesn't count). This means if player A's drive (or second, third shot) is selected, player does not use his/her next shot. Threesomes are exempt from this rule.
4. Captains to keep track of the number of balls shot into the sand and water by each team member for the entire game. Put S's and W's on each hole that player puts their ball in the sand or water.
5. **The "pink" ball game.** The captain of each team starts his/her game with the numbered "pink" ball on the first hole of play, and plays the ball for that entire hole. The ball is then passed in succession (per the scorecard) to the other team members to be similarly played on the subsequent three holes, until all four members of the team have played the ball. If your team manages to get this far, continue playing on this pre-set team-member rotation for the entire game, or until the ball is lost. You can not change the order of play to 'protect' the "pink" ball. For those of you who are able to bring the ball back at the end of the game, turn it in with your scorecard. All returned balls will then be put into the 'ball pot' for a draw. The team that is drawn will get a 'special' team prize.
6. No whining about the rules.
7. Prizes will not necessarily be given out based on scoring results.
8. Play will be from the white tees (men) and red tees (ladies).
9. The Scotch Marshall will tour around with a fine selection of Scotch Whiskey and Cuban cigars.

Score Cards

Please record the team's score for each hole.

Be sure all players' names are on the card, along with handicap.

Turn in your score-card to the tournament committee, in the dining room immediately after your round.
