

**THANK YOU FOR YOUR SUPPORT**

The Lindsay Rachel Giacomelli Memorial Fund was established in Lindsay's name as a memorial to her short life (June 18, 1984 to March 18, 2005). The goal of the fund is to keep Lindsay's name and presence alive and to reflect her generous and caring spirit ([www.lindsaygiacomelli.com](http://www.lindsaygiacomelli.com)).

The Lindsay Rachel Giacomelli Memorial Fund is an endowment fund administered by The Calgary Foundation; all contributions to the fund remain at the Foundation forever. Each year 4.5% of the fund's value is used for a charitable donation to a local cause. Previous donations have been made to the Calgary Zoo, the Calgary Military Museum Society, the Alberta Children's Hospital Foundation (the Rotary / Flames House), the Calgary Health Trust (Foothills Hospital ICU), Alberta Ballet, The Alberta Children's Hospital Foundation, the Princess Patricia's Canadian Light Infantry Regiment (PPCLI) Museum and Archives Gallery Renovation and The Mustard Seed. Donations to date total \$65,205 directly from Lindsay's Fund, and \$28,500 from our Platinum Sponsors.

This year's donations total will be \$16,747 from Lindsay's Fund and \$10,500 from our Platinum Sponsors for a total donation of \$27,247! The estimated value of Lindsay's Fund will then be at \$391,000. The Fund will provide charitable donations to Calgary area causes forever, all in Lindsay's name.

This year's primary donation will be made to the [Alberta Adolescent Recovery Centre \(AARC\)](#). The Alberta Adolescent Recovery Centre is an accredited not for profit long-term intensive treatment centre for chemically addicted adolescents between the ages of 13 and 21. Since its inception in 1991, AARC has graduated over 500 clients and approximately 1800 additional family members. Although based in Calgary, the organization is unique to Alberta and Canada in terms of its program model and success rate in treating teens with severe drug and alcohol addiction. The Centre provides a family oriented, long-term treatment model for young people who have reached a point of serious addiction to drugs and alcohol; they are often a last resort, offering a safe and loving environment for teens recovering from addiction.

Remember to join us next year on Friday June 12, 2015.

## RULES - Ryder Cup Format

1. We will use a Ryder Cup Format of match play between two teams of two golfers in each foursome group. The golfers on the same team alternate shots throughout the match, with the same ball. Each hole is won by the team that completes the hole in the fewest shots. To make this fair and competitive for all, I need your handicaps...and of course Mulligan's might play a big role in the outcome. The prize this year for a winning team is to keep the tourney trophy for the year and return next year (complimentary tourney fees) to defend your title!
3. Prizes will not necessarily be given out based on scoring results.
4. Play will be from the white tees (men) and red tees (ladies).
5. Score Cards  
Please record the team's score for each hole.  
Be sure all players' names are on the card, along with handicap.  
Turn in your score-card to the Pro Shop, immediately after your round.
6. The Scotch Marshall will be camped out at the Springs No. 5 at the Techmation Tent, but will be touring with some fine Cuban Cigars. Gerry will be camped out on Springs No. 5 as well... Can you beat Him?
