

Woman hurt in hit-and-run

Paramedics rushed a 20-year-old woman to hospital with life-threatening head injuries after being struck by a vehicle as she walked along a marked crosswalk in the city's southeast last night.

The collision occurred along Bonaventure Dr. near Fairmont Dr. S.E.

Calgary Police Service Insp.

Roger Chaffin said the woman was the victim of a hit-and-run.

"Witnesses to the collision describe the vehicle involved in the collision as a newer model SUV, red in colour which likely sustained front end damage," he said.

Police are asking for the public's assistance in finding the driver.
