

Welcome To The 4th Annual Lindsay Rachel Giacomelli Memorial Golf Tournament

The donation for 2008 will be made to the Alberta Children's Hospital Foundation, in support of the Rotary / Flames House, Alberta's first hospice for children, and only the 6th hospice for children in North America. This facility will be built next to the Alberta Children's Hospital in Calgary. <http://www.childrenshospital.ab.ca/featurednews.html>

Each year over 400 families in Alberta find themselves in desperate need of specialized support to help them care for their children with life-threatening illness. While these children do not necessarily require hospitalization, they still have complex medical needs. This means families are responsible for caring for their children at home, 24-hours-a-day, 7 days a week. Rotary/Flames House will give these families the professional support they need, and the opportunity to recharge mentally and physically, with the comfort of knowing their children are in good hands. Rotary/Flames House will offer specialized care to these families, including:

- Respite Care - 24 hour care of children on a temporary basis to allow their families time for rest and renewal;
- Transition Care - services for children with terminal illnesses who can leave the hospital;
- Symptom Management – helping the child and family deal with illness progression;
- End of Life Care - comprehensive services for both child and family during the last hours or days of a child's life.

The 20,000 square foot, two-storey facility will be designed to look and feel like a home, offering families an intimate residential setting. There will be 11 bedrooms for children, two family suites and a sunroom, all with windows so families can enjoy an outside view and the many benefits of natural light. There will also be therapeutic activity areas, a living room, a kitchen, den, rumpus room and rec room.

Remembering Lindsay

The Lindsay Rachel Giacomelli Memorial Fund was established in Lindsay's name as a memorial to her short life (June 18, 1984 to March 18, 2005). The goal of the fund is to keep Lindsay's name and presence alive and to reflect her generous and caring spirit. The establishment of this memorial provides our family extreme comfort in the knowledge that the fund will provide charitable donations to Calgary area causes forever, all in Lindsay's name.

We would like to thank everyone for participating this year.

Rules

1. Texas Scramble Each player hits their drive and the captain selects the best eligible drive and all players hit their second shot from that spot. Same with the second shots until on the green. All players putt from the selected shot that is on the green and continue from the best putt until the ball is in the hole. Putts within the leather of the Captains putter are considered gimmees.
2. Each person on the foursome must use 4 drives. Threesomes use 5 drives.
3. No consecutive shots until on the putting surface (fringe doesn't count). This means if player A's drive (or second, third shot) is selected, player does not use his/her next shot. Threesomes are exempt from this rule.
4. Captains to keep track of the number of balls shot into the sand and water by each team member for the entire game. Put S's and W's on each hole that player puts their ball in the sand or water.
5. The "pink" ball game. The captain of each team starts his/her game with the numbered "pink" ball on the first hole of play, and plays the ball for that entire hole. The ball is then passed in succession (per the scorecard) to the other team members to be similarly played on the subsequent three holes, until all four members of the team have played the ball. If your team manages to get this far, continue playing on this pre-set team-member rotation for the entire game, or until the ball is lost. You can not change the order of play to 'protect' the "pink" ball. For those of you who are able to bring the ball back at the end of the game, turn it in with your scorecard. All returned balls will then be put into the 'ball pot' for a draw. The team that is drawn will get a 'special' team prize.
6. No whining about the rules.
7. Prizes will not necessarily be given out based on scoring results.
8. Play will be from the white tees (men) and red tees (ladies).

Score Cards

Please record the team's score for each hole.

Be sure all players' names are on the card, along with handicap.

Turn in your score-card to the tournament committee, in the dining room immediately after your round.
