

THANK YOU FOR YOUR SUPPORT

*Welcome To The 5th Annual
Lindsay Rachel Giacomelli
Memorial Golf Tournament*

The Lindsay Rachel Giacomelli Memorial Fund in 2009 will be donating to the Calgary Health Trust in support of required equipment for the Intensive Care Unit of the Foothills Hospital.

Foothills Medical Center Intensive Care Unit

The Intensive Care Unit at Foothills Medical Center is a 25 bed multi-system trauma and neurosurgical critical care unit serving all of Southern Alberta. There are over 1200 admissions to ICU every year. Of these many of the patients are have severe multiple trauma and / or brain injury.

Patients admitted to the Intensive Care Unit require sophisticated monitoring and interventional procedures. The Foothills Medical Center Intensive Care Unit continues to provide state of the art trauma and neurosurgical care. The latest monitoring equipment for brain injured patients include Licox tissue oxygen monitoring and Cerebral Microdialysis (first center to use this technology in Canada). The use of a Coolgard cooling system provides consistent temperature regulation for trauma patients.

Along with high technology, the ICU strives for family centered care. They provide specific interventions with families to help meet their information needs and support them during this very difficult time. Family pagers, journals, open visiting and compassion carts all help to meet the family's needs.

Funds from the Lindsay Rachel Giacomelli Memorial Fund will be used to help support the Neurosurgical and Trauma patients. Specifically, the Coolgard system is in high demand and many patients will benefit from an additional system.

Sony Playstation 3 and two games - Westcomm Pump & Equipment Ltd.

The Lindsay Rachel Giacomelli Memorial Fund was established in Lindsay's name as a memorial to her short life (June 18, 1984 to March 18, 2005). The goal of the fund is to keep Lindsay's name and presence alive and to reflect her generous and caring spirit. The establishment of this memorial provides our family extreme comfort in the knowledge that the fund will provide charitable donations to Calgary area causes forever, all in Lindsay's name.

Past Charitable Contributions:

- Calgary Zoological Society
- Military Museums
- Alberta Children's Hospital Foundation
- Corps Bar Dance Troup

Dinner: 5:30 pm - Main Dining Room

Awards Ceremony during dinner.

In the main Dining Room starting at 5:30pm - 6:00pm.

Silent Auction Awards Presentation: 6:00 pm - 7:30 pm

RULES - TEXAS SCRAMBLE

1. Each player hits their drive and the captain selects the best eligible drive and all players hit their second shot from that spot. Same with the second shots until on the green. All players putt from the selected shot that is on the green and continue from the best putt until the ball is in the hole. Putts within the leather of the Captains putter are considered gimmees.
2. Each person on the foursome must use 4 drives. Threesomes use 5 drives.
3. No consecutive shots until on the putting surface (fringe doesn't count). This means if player A's drive (or second, third shot) is selected, player does not use his/her next shot. Threesomes are exempt from this rule.
4. Captains to keep track of the number of balls shot into the sand and water by each team member for the entire game. Put S's and W's on each hole that player puts their ball in the sand or water.
5. **The "pink" ball game.** The captain of each team starts his/her game with the numbered "pink" ball on the first hole of play, and plays the ball for that entire hole. The ball is then passed in succession (per the scorecard) to the other team members to be similarly played on the subsequent three holes, until all four members of the team have played the ball. If your team manages to get this far, continue playing on this pre-set team-member rotation for the entire game, or until the ball is lost. You can not change the order of play to 'protect' the "pink" ball. For those of you who are able to bring the ball back at the end of the game, turn it in with your scorecard. All returned balls will then be put into the 'ball pot' for a draw. The team that is drawn will get a 'special' team prize.
6. No whining about the rules.
7. Prizes will not necessarily be given out based on scoring results.
8. Play will be from the white tees (men) and red tees (ladies).
9. The Scotch Marshall will tour around with a fine selection of Scotch Whiskey and Cuban cigars.

Score Cards

Please record the team's score for each hole.

Be sure all players' names are on the card, along with handicap.

Turn in your score-card to the tournament committee, in the dining room immediately after your round.
